PRODUCT RANGE

Prime is one of the leading Egyptian companies in the wooden works field. We are proud to have maintained a significant presence in the market since 1948, consistently providing the highest quality products and services in Egypt and the Middle East.

Headquartered in Cairo, Prime serves as a dynamic hub for architecture and interior design. Our expertise and dedication to excellence are reflected in every project we undertake, making us a trusted choice for clients seeking superior design and craftsmanship.

We offer a comprehensive range of products designed to enhance and complement a variety of spaces. From furnishing homes and villas to equipping hotels and offices, our offerings are as diverse as they are high-quality. Our commitment to detail and excellence ensures that every piece we create not only meets but exceeds our clients' expectations.

OUR MISSION

At Prime, our mission goes beyond providing services or products. We are committed to delivering high-quality and creative solutions that not only meet but exceed our customers' expectations.

Our commitment to quality is unwavering, regardless of the project size or scope. We believe in going the extra mile for our customers, providing them with innovative and effective solutions that set us apart in the industry.

Creativity is at the core of our operations. We constantly strive to think outside the box, ensuring our customers benefit from fresh and unique ideas. This approach allows us to deliver exceptional results that truly stand out.

At Prime, our vision is to become the singular destination for high-quality design and furniture for both individual and corporate clients. We aim to provide timeless designs that transcend trends and remain relevant for years to come.

We believe in the power of design to transform spaces, improve functionality, and enhance overall aesthetic appeal. Whether it's for a personal residence or a corporate office, we strive to deliver designs that reflect our clients' unique tastes and needs while ensuring durability and quality.

Our furniture offerings are crafted with the same dedication to quality and aesthetic appeal. We carefully select materials and designs that stand the test of time, ensuring our clients receive pieces that not only look good but also serve their purpose well for years to come.
